

CONDITION REPORT - DECEMBER 4th & 5th, 2008 VARIETY SALE

UPDATED: December 4, 2008

Pook & Pook, Inc. is pleased to provide you with the following condition report. This condition report was prepared by an appraiser at Pook & Pook, Inc.'s auction house. While we make every attempt to be as accurate as possible with these reports, they are not a replacement for physical observation/examination of the item(s) you wish to purchase. Please note that as this is a Variety Sale, all items are sold "AS IS" with no guarantees stated or implied.

Please also note that this report is not complete. Condition reports are done on a request only basis. Please contact the office at conditions@pookandpook.com if you need additional information or a condition report not contained in this report. We will continue to update this document daily until the day of the auction. Please be sure you have the most up-to-date information prior to bidding.

END OF SESSION TWO

Terms of Sale: All items in Variety Sales are sold “AS IS” with NO guarantees stated or implied. Bidders shall take each lot “as is” and with all faults and any errors of description or condition. It is the responsibility of all prospective bidders to ask for/obtain a condition report (if not provided above) and/or additional photographs and/or inspect the property before bidding to determine its condition, size, degree of restoration, etc. Pook & Pook, Inc. reserves the right to reject any condition report/additional photograph requests in which, in our opinion, the value of the object is not commensurate with the time necessary to complete the request. Due to time constraints, new condition report requests must be received at least 48 hours prior to the start of the auction (If an auction has two sessions, all requests must be received 48 hours prior to the FIRST session). New requests for additional photographs must be made at least three days prior to the start of the sale. Clocks, watches, mechanical banks, electrified items (i.e. lamps), and other mechanical and electric items are not guaranteed to be in working condition. Display items shown in photographs, unless specifically listed in the description, are not included with the lot. Any items containing precious or semi-precious stones cannot be returned once removed from the gallery. The only books guaranteed to be in a lot are those listed in the description. All weights and measurements are approximate. No additional photographs, condition reports or descriptions are available for box lots (i.e. books, fabric, etc.). Registering and obtaining a bid number indicates your acceptance of these terms, those posted on our website, and all other terms announced at the time of sale.
